Dear Parents,

Help your little ones that are pre-readers, pay attention well while they're in the service.

Each of the boxes on the following pages represent elements in our service. Point to each box as we get to it in the service and have them color what's inside or follow the prompts that are indicated in each of the boxes to help your children get more out of the service.

1. Worship through music

Write down the lyrics that you remember most. Why do you remember them the most?

2. Responsive Reading - John 1:1-14

In the beginning was the Word, and the Word was with God, and the Word was God.

He was in the beginning with God. All things were made through him, and without him was not any thing made that was made.

In him was life, and the life was the light of men. The light shines in the darkness, and the darkness has not overcome it. There was a man sent from God, whose name was John. He came as a witness, to bear witness about the light, that all might believe through him.

He was not the light, but came to bear witness about the light. The true light, which gives light to everyone, was coming into the world.

He was in the world, and the world was made through him, yet the world did not know him. He came to his own, and his own people did not receive him.

But to all who did receive him, who believed in his name, he gave the right to become children of God, who were born, not of blood nor of the will of the flesh nor of the will of man, but of God.

And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth.

3. Worship through Prayer
